de asado) translates to short ribs;
butchers generally sell it flanken style in
one long, thin strip cut crosswise against
the bone. These babies, a key cut at any
asado, are cooked on low heat until they
achieve a crispy outer layer and slight
chewiness, but still tender insides.

The word “asado” means a gathering of friends for a grill party – the Argentine equivalent of an American patio barbecue – and that theme translates into a convivial gathering spot for friends and family. A steakhouse with a flavor-forward menu with preparations licked with smoke and sophistication. Sue Kidd-
