Criteria for Foster parents | Ministry of Social and ...
Foster care is a system in which a minor has been placed into a ward, group home, or private home of a state-certified caregiver, referred to as a "foster parent" or with a family member approved by the state. The placement of the child is normally arranged through the government or a social service agency. The institution, group home or foster parent is compensated for expenses unless with a family member. In some states, relative or "kinship" caregivers of children who are wards ...

Foster care - Wikipedia
A foster family is a family that takes in a child for what is usually a short time to provide care that the parents are unable to provide. Though occasionally a foster child lives with his foster family for years, that situation is not the norm. Foster families are available through a state's social services department, which has specific ...

What Is a Foster Family? - Reference.com
The State of Florida provides licensed foster parents with a monthly maintenance stipend, which is designed to cover the cost of providing food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, reasonable travel to the child's home for visitation, and reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement.

Foster Parents - Embrace Families
Ultimately, the goal of foster care is to help these families overcome challenges so their children may remain at home safely. Foster parents provide the stability, structure and acceptance needed during this scary, traumatic time. In a period of chaos, our foster parents are the anchors our children hold onto until it is safe to return home.
