Nursing before Nightingale, 1815-1899 (The History of Medicine in Context) 20 March, 2012 By Ibadete Fetahu 'I believe that any reader will be struck by the similarities of events and practices that have gone on in the past, and how we seem destined to repeat events in later years (even down to detailing how matron was balancing the budget by closing beds and laying off nurses)'

Nursing before Nightingale, 1815-1899 (The History of ...

Nursing Before Nightingale is a study of the transformation of nursing in England from the beginning of the nineteenth century until the emergence of the Nightingale nurse as the standard model in the 1890s. From the nineteenth century on historians have considered Florence Nightingale, with her training school established at St. Thomas's Hospital in 1860, the founder of modern nursing. This ...

Nursing before Nightingale, 1815-1899 By Carol Helmstadter and Judith Godden (Farnham, England: Ashgate Publishing Ltd, 2011) (219 pages, \$119.95 cloth) In the "Introduction" of Nursing before Nightingale, authors Carol Helmstadter and Judith Godden clearly express their purpose and rationale for debunking some of the myths that exist around Florence Nightingale's legacy.

"Nursing before Nightingale, 1815-1899" by Nishida ...

Nursing before Nightingale examines two reforms that resulted from the need for skilled nursing and which pre-date Miss Nightingale's school and its ideals. The first was the ward system. Devised by doctors, it relied on educated women to occupy positions as head nurses or ward sisters to superintend the work of less-educated assistant nurses.
