10+ Teaching Learning Communities Routines And Rituals ...

The article develops a theory and practice for teaching and learning in a Community of Thinking. According to the theory, the practice of traditional schooling is based on four “atomic pictures:” Learning is listening; teaching is telling; knowledge is an object; and to be educated is to know valuable content.

Teaching and Learning in a Community of Thinking

knows . . . learning for understanding is like learning a flexible performance.”9). These three conceptions are interrelated. The third one—the performance aspect of understanding—is most useful from a pedagogical point of view, and it directs the teaching and learning in the Community of Thinking.

20+ Teaching Learning Communities Routines And Rituals ...

Routines are a big part of our lives. They give us order and stability and the reassurance that comes from reliable, consistent patterns of activity. They support us to regulate our lives in a world that is often fast-paced and busy. And they provide a framework for ensuring the important ingredients for staying healthy, for maintaining a strong sense of wellbeing and a sense of purpose.
