### The Lime Works

The Lime Works is a novel by Thomas Bernhard, first published in German in 1970. It is a complex surrealist work, where the creativity and resourcefulness of a destructive personality is marshalled against itself in a nightmarish narration.

### The Lime Works - Wikipedia

For five years, Konrad has imprisoned himself and his crippled wife in an abandoned lime works where he's conducted odd auditory experiments and prepared to write his masterwork, The Sense of Hearing. As the story begins, he's just blown the head off his wife with the Mannlicher carbine she kept strapped to her wheelchair.

### The Lime Works: A Novel (Vintage International): Bernhard ...

The Lime Works is the story of Konrad, who purchases a property [the lime works of the title] for an exorbitant amount of money and moves into it with his crippled wife. He then turns the place into a kind of prison, putting up bars at the windows, and making it essentially inaccessible from the outside.

This story is the very peculiar tale of a man; Konrad, who has just shot (either 2 times or 4 times) and killed his wife. They've lived in the Lime Works in a small Austrian village for 5 years while Konrad conducts audio experiments and research for his very important book that he will write someday. That we all learn almost immediately.
